

## Socket & See LTKIT10 Lamp Test Adaptor Kit

### Description

This fantastic product from Socket & See is ideal for Electricians testing light fittings.

The Socket & See LTKIT10 is five adaptors that allow for easy connection and testing at light fittings:

LTBC 02, LTES 04, LTMBC 06, LTMES 08, LTGU 10

Presented with 2 x 120cm, 4mm test leads in a protective carry pouch.

### Features of the LTKIT10

- Allows easy, safe connection to light fittings
- The fastest way to check insulation/continuity/loop/polarity
- High quality low ohm 4mm connectors
- Safer and saves time: leave the light fitting in place
- Easier/better connection allows hands-free
- No broken connections
- Great for use in awkward/high situations
- No damage to fittings
